

RING SIZE

Follow the instructions to get the correct size

INSTRUCTIONS:

- From your printer menu, choose the option "Actual size" or "Page scaling: none".
- Check that it prints correctly. Use a ruler to measure the following page.

CORRECT

CHECK YOUR SIZE:

- Once you have checked the above steps, place the ring you wish to size on the circles.
- The inner diameter of the ring should fit the outside of the circle.

When doubting between two sizes, choose the larger one.

Because of our original spring system, our wide rings cover two sizes.
